Lincoln Center’s Passport to the Arts for children with disabilities and their families
Spring 2015 Registration

Thank you for your interest in Lincoln Center’s Passport to the Arts Program, an inclusion program distributing free tickets for children with disabilities and their families to attend performances at Lincoln Center. We are delighted to announce the spring programs and we look forward to engaging with your families, learning about your experiences, and creating memorable moments on our campus together.

Our Partners and Registration
This school year, we will be partnering with the New York Philharmonic, the Chamber Music Society, Jazz at Lincoln Center, and the New York City Ballet. To register for the spring, please fill out the registration form, including your ranked preferences for performances. The number of tickets available per performance is based on popularity as well as our budget, so your ranked feedback is very helpful data when planning. Ticket requests are fulfilled on a first come, first served basis, so please send in as early as possible. You will receive a letter that will confirm or waitlist your ticket requests. Shortly, we will send a registration form for the spring.

Throughout the season, we may add new programs and performances. These will be shared via email.

Waitlist
We reach capacity for tickets very quickly, and use a waitlist system for performances that are full. We may receive cancellations prior to the performance, and will contact families on the waitlist in order of registration.

Cancellations
While we understand that issues may arise at the last minute, each ticket is purchased specifically for your family and if we do not fill those tickets with someone on the waitlist, those seats may go empty and program funds are lost instead of going toward having benefit from participation. Please make every effort to attend the performances that you request, and if you are unable to attend, please let us know as soon as possible. Failure to do so may result in being removed from the program.

Fundraising
Finally, this program is currently largely unsupported by grants. As we seek to further expand the performances, tickets, and families, we look to you to help us with our fundraising efforts. We will periodically request testimonials, photos, and survey responses to include in grant requests. If you would like to make a donation or have any suggestions for fundraising, please contact us.

We look forward to seeing your family this spring!

Thank you,
Miranda Appelbaum
