Tutoring & Test Prep Organizations

This list is a small sampling of the many organizations providing students with academic tutoring, test preparation, and other related services, such as executive function coaching and connection to learning specialists.

This list is intended only as a place to begin. Friends who have had a good experience with a particular organization can also be a source of helpful information. You may wish to explore the sites below and, if you like what you see, reach out to the organization to ask questions and learn more. If you contact any of these organizations, please identify yourself as a Columbia University employee.

Brain Trust Tutors
"[A] modern tutoring company designed by expert teachers and seasoned parents who believe there’s a better way to help kids find their spark and discover their love for learning."

Evolved Education Company
"[P]rovides world-class support services with highly-trained educators that guide both students and their parents or guardians on every step of their educational journey."

Maia Education Resource Center
"Individualized Educational Solutions that place your child’s needs at the center of the process."

Organizational Tutors
“Our network of executive functioning tutors and specialists helps students of all ages with complicated learning profiles form positive habits and develop lifelong organizational skills to excel in their academic and personal lives.”

Private Prep
“We believe personal attention is fundamental to academic achievement and lies at the forefront of every student-tutor relationship.”

SchoolPlus
“The goal of School-Plus is to provide K-12 students with an alternative, advanced, challenging perspective on familiar subjects.”

Thinking Caps Group
"[W]e know that teaching students fundamental skills empowers them to take charge of their academics and enables them to succeed in the classroom and beyond."
