The agencies above offer a customized search and placement service for families seeking in-home child care. Additional services can include background checks, reference screenings, and personal interviews. Their fee structures vary so contact the agencies for details.

For Part-Time or Occasional In-Home Care

Barnard Babysitting

barnard.edu/beyond-barnard/experiential-education/barnard-babysitting

Online job board for hiring Barnard College students for part-time and/or occasional in-home child care. Barnard does not vet or select candidates, but simply provides a means of connecting families in need of child care with students interested in babysitting.
